

Letter from the CEO

As COVID-19 continues to impact all of us as individuals and as an organization, posing substantial physical, personal, social, and emotional challenges, I am so grateful to share with you that as of this writing, The Next Door has not had any staff members or clients who have tested positive for this virus.

As we continue to carefully monitor and implement every precaution, I could not be prouder of the courage and determination our staff is showing each day. And we have a strong, committed group of leaders who are determined to continue to serve with excellence. I appreciate the huge contribution of every member of our team as they continue to show resilience, creativity and courage every day.
